A contract issued as the result of a bid shall not be considered exclusive. The Town reserves the right to contract with other vendors for similar services when deemed appropriate.

The Town maintains the right to withhold payment for unsatisfactory materials and/or workmanship until such time that the defect is corrected. If the defect is not satisfactorily repaired within 60 days, the Town may elect to have the repair made by an alternate vendor and subtract the cost from the Contractor's invoice. The Town also reserves the right to deduct from the vendor's billing any costs incurred as a result of inferior or unsatisfactory materials and/or workmanship.

The Town reserves the right to cancel the contract at any time with no cost to the Town. Any violations of the contract specifications shall be deemed to be justification to cancel the contract. Should it become necessary for the Town to write a letter notifying the contractor of unsatisfactory work, it will become the first step in terminating the contract for cause. If it is necessary to repeat this procedure, the third letter will constitute notice of termination of the contract for cause. The Town's decision shall be final and without recourse or cost to the Town. Furthermore, the Town reserves the right to deduct from the vendor's invoices any costs incurred due to the cancellation of a contract for cause. If the cancellation is for budgetary considerations or is based upon the discretionary right of the Town then the cancellation shall be upon thirty (30) days written notice.

The Town reserves the right not to award the continuation of a multiple year bid. The award of each year's contract is contingent upon adoption and approval of budgetary funds for this purpose.

Vendor should also have a written confined spaces program, a copy of which is to be forwarded to the Supervisor of Buildings & Grounds. A complete list of designated confined spaces can be obtained from the Supervisor of Buildings and Grounds; however, all tunnels, boilers, and elevator shafts are included.

Universal Precautions:

A copy of the Board's exposure control plan will be provided, and it is the responsibility of the contractor to train his employees in the proper procedures they will be required to follow and to supply them with all necessary protective personal clothing and equipment, such as rubber gloves, face shields and masks, eye protection, etc. The contractor will bear all expenses of compliance with this plan including Hepatitis B shots.

It is the contractor's responsibility to train his employees in O.S.H.A. and Right-to-Know (M.S.D.S.) requirements.

State Set-Aside Program (If Applicable)

If this project is subject to the State set-aside program, it is the contractor's responsibility to contact CHRO and to comply with all statutory requirements.

The contractor who is selected to perform this State project must comply with CONN. GEN. STAT. §§ 4a-60, 4a-60a, 4a-60g, and 46a-68b through 46a-68f, inclusive, as amended by June 2015 Special Session Public Act 15-5. An Affirmative Action Plan must be filed with and approved by the Commission on Human Rights and Opportunities prior to the commencement of construction.

State law requires a minimum of twenty-five (25%) percent of the state-funded portion of the contract for award to subcontractors holding current certification from the Connecticut Department of Administrative Services ("DAS") under the provisions of CONN. The contractor must demonstrate good faith effort to meet the 25% set-aside goals.

For municipal public works contracts and quasi-public agency projects, the contractor must file a written or electronic non-discrimination certification with the Commission on Human Rights and Opportunities. Forms can be found at <http://www.ct.gov/opm/cwp/view.asp>
